

Concise Ireland Tour

A short five day tour covering the highlights of this stunning country. Starting in the capital, Dublin, we travel west and then south to see the famous Ring of Kerry and beautiful scenery of Connemara. We also stop at Waterford Crystal, the pre-historic landscapes of the Boyne Valley and one the World's best seats of learning – Trinity College. Interspersed between the dramatic scenery we will unearth World class hotels, mouth watering local food and dramatic history.

Create your own tour. As with all our tours the attractions you see will take account of your interests and can be adapted to what you want to see. You will however, see a cross-section of the great history, countryside and heritage of Ireland.
